

**VARIEGATED SWEET FLAG GRASS** *Acorus calamus 'Variegatus'*

   60 cm / 24" \leftrightarrow 60 cm / 24"  August-September

Waterside plant with long, narrow foliage. Plants spread delicate little white flowers appear in summer looking like cattails.

RAIN DANCE BLUE STEM *Andropogon 'Rain Dance'*

  120 cm / 48" \leftrightarrow 60 cm / 24"  August-October USPP#26284

Upright growing ornamental grass with narrow green blades with red highlights that change to burgundy in autumn. Propagation is prohibited. North American Native Grass.

**BIG BLUE STEM** *Andropogon gerardii*

  1.5 m / 5' \leftrightarrow 1 m / 3'  July-August

Blue-green foliage provides excellent screening. Native to the prairie habitat. Seed heads are a wonderful addition to fall flower arrangements.

**VARIEGATED OAT GRASS** *Arrhenatherum bulbosum 'Variegatum'*

  30 cm / 12" \leftrightarrow 30 cm / 12"

The leaves have white margins with a deep bluish-green strip running down the middle. Mid-season trim will stimulate fresh new growth.

**BLUE GRAMA GRASS** *Bouteloua gracilis*

  30-45 cm / 12-18" \leftrightarrow 45-60 cm / 18-24"  June-August

Hardy prairie grass which grows upright. Blue-green foliage is offset by showy seedheads in summer. Great low maintenance grass.

**BLONDE AMBITION BLUE GRAMA** *Bouteloua gracilis 'Blonde Ambition'*

  60-90 cm / 2-3' \leftrightarrow 60-90 cm / 2-3'  Mid-late summer USPP#22048

This wispy grass has hints of blue foliage. It will produce beautiful yellow seedheads that resemble little toothbrushes.

**KARL FOERSTER FEATHER REED GRASS**
Calamagrostis x acutiflora 'Karl Foerster'

  120 cm / 48" \leftrightarrow 60 cm / 24"  June-September

2001 Perennial Plant of the Year! A strong upright grass with white feather plumes that turn to tan seed heads. Great for winter effect.

**OVERDAM VARIEGATED FEATHER REED GRASS**
Calamagrostis x acutiflora 'Overdam'

  80 cm / 32" \leftrightarrow 45 cm / 18"  June-September

Compact-sized grass produces striking blades of white and green. Does well in heavy clay soils.

**NORTHERN LIGHTS TUFTED HAIR GRASS**
Deschampsia cespitosa 'Northern Lights'

  60 cm / 24" \leftrightarrow 45 cm / 18"  May-October

White and green striped leaves that show pink-purple tints in cool weather. An easy to grow ornamental grass requiring little maintenance.

**CANADA RYE GRASS** *Elymus canadensis*

  75 cm / 30" \leftrightarrow 60 cm / 24"  July-September

North American native prairie grass which appears like wheat. Greenish-tan flowers atop foliage in mid-summer.

BLUE WHEATGRASS *Elymus magellanicus*

☀️☀️ ⬆️ 30 cm / 12" ⬅️ 30 cm / 12" 🌸 May

Very blue, bunch-forming grass with wide leaves. Best in cooler weather, does not like hot, dry conditions.

BOULDER BLUE FESCUE *Festuca glauca 'Boulder Blue'*

☀️ ⬆️ 40 cm / 16" ⬅️ 30 cm / 12" 🌸 August-October

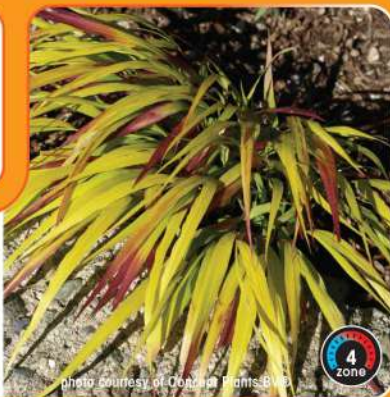

Cool season clump forming grass. Upright intense blue foliage.

ELIJAH BLUE FESCUE *Festuca glauca 'Elijah Blue'*

☀️ ⬆️ 30 cm / 12" ⬅️ 30 cm / 12" 🌸 August-October

Holds its blue colour very well throughout the season. Great as edging or in mass plantings.

SUNFLARE™ JAPANESE FOREST GRASS *Hakonechloa macra Sunflare™*

☀️☀️ ⬆️ 30-45 cm / 12-18" ⬅️ 30-45 cm / 12-18" 🌸 Late summer to early fall
CPBRA, USPP#27734

Boasts vibrant, cascading leaves that with more sun become intense golden-yellow with randomly highlighted in deep crimson.

BLUE OAT GRASS *Helictotrichon 'Blue Oat'*

☀️ ⬆️ 90 cm / 36" ⬅️ 60 cm / 24" 🌸 July-October

Hardy evergreen perennial grass with narrow greyish-blue foliage. In summer, upright stems bear tan-coloured flower spikes into the fall. Mix into landscapes or in containers. Drought tolerant once established.

SAPPHIRE FOUNTAIN OAT GRASS

Helictotrichon sempervirens 'Saphirsprudel'

☀️ ⬆️ 45 cm / 18" ⬅️ 45 cm / 18" 🌸 July-October

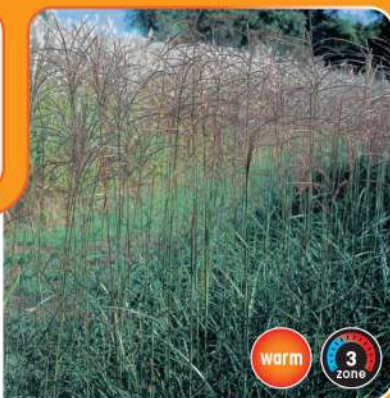

Clump forming cool season grass with wiry blue-grey leaves.

SWEETGRASS *Hierochloa odorata*

☀️ ⬆️ 60 cm / 24" ⬅️ 45 cm / 18" 🌸 July-August

Ornamental grass that is known for its narrow, green upright growing foliage that is vanilla scented. Feathery, white flowers appear in mid-summer.
